

Type Examination Certificate CML 14ATEX6093 Issue 0

- 1 Equipment intended for use in Potentially Explosive Atmospheres Directive 94/9/EC
- 2 Equipment **Range of Non-Electrical Shaft Couplings**
- 3 Manufacturer **Utkur Iron and Steel Industries**
- 4 Address Satara – 415 004
Maharashtra
India
- 5 The equipment is specified in the description of this certificate and the documents to which it refers.
- 6 Certification Management Limited, Unit 1 Newport Business Park, New Port Road, Ellesmere Port CH65 4LZ, UK, in accordance with Article 9 of Directive 94/9/EC, certifies that this equipment has been found to comply with the Essential Health and Safety Requirements relating to the design and construction of equipment intended for use in potentially explosive atmospheres given in Annex II to the Directive.

The examination and test results are recorded in the confidential reports listed in Section 12.
- 7 If an 'X' suffix appears after the certificate number, it indicates [The 'U' suffix after the certificate number indicates] that the equipment is subject to conditions of certification (affecting correct installation or safe use). These are specified in Section 14.
- 8 This Type Examination certificate relates only to the design and construction of the specified equipment or component. Further requirements of Directive 94/9/EC Article 8 apply to the manufacture of the equipment or component.
- 9 Compliance with the Essential Health and Safety Requirements, with the exception of those listed in the confidential report, has been demonstrated through compliance with the following documents:
EN 13463-1:2009
EN 13463-5:2011

- 10 The equipment shall be marked with the following:

 II 2 G D c IIC T6 to T1

 I M2 c

*depending on ambient Ta

Ta = -30°C or -10°C to
+65°C up to 250°C**

Ta = -30°C or -10°C to +40°C

**depending on coupling type
